The existing policy has been amended to include a more . The policy only applies to

for students to with an extended timeline of at least a week.

The extension request should be made

before the deadline for summative tasks of

For tasks of

, the extension request should be made

earlier.

Please note that

will be taken into account if needed.

if possible as soon as the need becomes obvious

fill in an

and get it

to their subject teacher to

if the teacher grants the extension, the student will be informed and it is

Physical incapacitation eg: broken arm

Illness (with a medical certificate for senior students)

Genuine personal issues with some evidence to corroborate the issues.

Extended illness of student or staff or parent/caregiver.

Car accident

Natural disasters eg: bushfire or flood

Power cuts
